Join us for an educational and networking event with  
Mississippi's greatest Occupational Therapy Providers!

## MISSISSIPPI OCCUPATIONAL THERAPY ASSOCIATION

Dear Fellow MSOTA Supporter:

Greetings from the Mississippi Occupational Therapy Association!

I would like to take this opportunity to thank you for your past support of the Association and/or encourage you to consider supporting us in the upcoming year. The Mississippi Occupational Therapy Association is a nonprofit membership association of occupational therapists, occupational therapy assistants, and occupational therapy students throughout the state of Mississippi. The Association represents the profession of occupational therapy through advocacy efforts in the areas of legislation, education, marketing, networking, and a multitude of services provided to our patients. Occupational Therapy touches the lives of those from birth to seniors in the aspect of increasing a person's independence for life skills.

We would like to ask for your support and consider becoming an exhibitor or sponsor at our MSOTA Annual Conference. The Conference will be held on Saturday, March 21, 2026, at the Brandon Civic Center in Brandon, MS. This event draws an average of 350+ therapists and is advertised statewide. It's a great way to get your name, message, and information out to many therapists who work in diversified populations!

This is the time and place to showcase your company or products to the occupational therapy community! Expanding your reach past the attending therapist, the exhibitor sponsorships include social media and virtual sponsorships where your company will be highlighted. Our attendees love the opportunity to visit with our exhibitors so, over the past several conferences, we have expanded our agenda to include more breaks and additional opportunities for attendees to network with each other as well as our attending exhibitors. If you are not able to physically attend the conference, we can accommodate you as a non-attending exhibitor. In addition to exhibitor space and advertising, we can promote your business via door prizes, handouts, or meal/snack contributions.

As healthcare continues to change, it is important for MSOTA to keep a close eye on the happenings that affect our profession and our patients. Your sponsorship can help support these efforts! I have attached vendor/exhibitor and sponsorship forms for your convenience. Questions or more information can be requested at [mississippiota@gmail.com](mailto:mississippiota@gmail.com) or by contacting our PR Chair, Jasmine Proctor at (601) 941-9636 or [jproctor48.jp@gmail.com](mailto:jproctor48.jp@gmail.com). Thank you for your consideration!

Sincerely,

Amanda Jordan, OTR/L  
MSOTA Executive Director
